Dear parent/guardian,

You may choose to have your child participate in our FREE after-school program. We would love for your child to join us every Tuesday and Thursday at the **high school in Twin Valley** from 3:30-5:00 pm. If they would like to leave after they receive help with their homework, please check the box below.

The program is for students in grades 2-7. Transportation will not be provided afterwards. You must be able to pick up your child at 5:00 or earlier if needed.

In this program, we will be building academic and social skills through fun games and activities. We also plan on helping the students with their homework. If you have any questions about the program, please call Kristin at the number provided above.

Please fill out the information below if you are interested in having your child participate in this FREE program provided by Targeted Services. Please return this form to the school as soon as possible in order for your child to participate.

Student Name: _____ Current Grade: _____
