NORMAN COUNTY EAST

HIGH SCHOOL

STUDENT/PARENT HANDBOOK

This Handbook and its contents were approved by the School Board at its regular meeting on August 15, 2016.

MISSION OF NORMAN COUNTY EAST SCHOOLS

We will provide a safe positive learning environment that provides outstanding academic and social development for each student.

NORMAN COUNTY GOAL STATEMENT:

Each year for the next three years in the subject area of reading, we will increase the proportion of students in each grade who score at or above proficiency, and decrease the proportion who score below proficiency on district assessments.

The staff and administration welcome you to school for the 2016-2017 year. Each year brings new students, teachers, courses, materials, and equipment together for the purpose of providing the best education possible for students. The beginning of each year is always exciting. We provide this handbook and encourage all students and parent(s) / guardian(s) to read and understand this manual concerning general information about the Norman County East Schools. Each student should set a personal goal of participating fully and achieving the most educationally as that is possible for the coming year. The faculty and staff are here to help and challenge each student to expand their abilities. Our commitment is to provide each student with challenging educational experiences. However, what this school year holds for you, will largely be determined by you. Attendance, loyalty, reliability, consideration for others, concern for your school, community, and fellow students provide opportunities for challenging yourself to become the best person that you can academically and socially.

Best wishes for the coming year.

GENERAL INFORMATION

For a complete explanation of District policies, a copy of the District Policy Manual can be obtained from the Superintendent's office.

This Handbook may be changed or amended during the school year. Changes will be posted in the high school office, on the student bulletin boards and announced in the student announcements and during an Advisor-Advisee meeting. If you have any questions about a provision in the handbook, contact the principal.

PLEDGE OF ALLEGIANCE: This will be student lead; participation is voluntary; all students will respect other's right to recite or not recite the Pledge of Allegiance.

ATTENDANCE POLICY (see District Policy #503)

The school board recognizes regular attendance as important to the continuity in the education process of each student. Classroom learning experiences are a meaningful and essential part of any educational system. Time missed from classes hinders the benefit from the interaction and exchange of ideas with teachers. The absent student loses the benefits of lectures, discussions, and participation with other students. Norman County East High School considers consistent and timely attendance a major responsibility. Good attendance should be a top priority of our students and is the responsibility of the students and their parent(s)/guardian(s).

If absent from school, parents must call the office by 9 a.m. or the school will call them or their emergency contact number. If no phone contact can be made, Social Services or police may be contacted to further investigate the child's absence; a written note signed by a parent/guardian must be received **within 24 hours** if phone contact was not made **in order for absence to be excused and work eligible for credit**. The note must be dated and state the reason for the absence. **Absences not reported by parents/guardians will be recorded as unexcused.** For illness, a doctor's note will be required **on the 3rd consecutive absence**. **The doctor's note must be provided within 24 hours after returning to school.** The school has the right to verify any and all absences. The school reserves the right to refuse excusing an absence when requests become excessive. **Once a student and parent/guardian have been given notification, all future absences will be considered unexcused unless arrangements have been made with the school.**

PROCEDURE TO FOLLOW:

1. **Report to the High School Office before 8:20 A.M.**
2. Receive a make-up slip. (Excused or Unexcused)
3. The make-up slip is your admittance to class and request for assignments and must be presented individually to each teacher.
4. The teacher will indicate on the slip the work required. **Presenting an excused absence makeup slip will permit credit for the missed work once work is turned in.** Make-up work need not be granted for unexcused absences.
5. Normally you have one day for each day missed plus one extra day to complete the make-up work. Students who miss only morning classes are expected to get those assignments that afternoon.
6. Failure to make up work in the allowed time may result in zero credit. Extension may be granted by individual teachers.
7. Students in extra-curricular activities, dances, programs, etc. must be in attendance **all day** the day of the event to participate, unless excused by the administration.

MINIMUM ATTENDANCE POLICY

A school record indicating a great number of absences may disqualify a student as a candidate for numerous job opportunities in future years. Care should be given to maintain a good attendance record.

Students are expected to attend 171.5 days per school year. Good attendance helps the student progress in the learning process. Once the student has missed school for a cumulative of 10 absences, additional absences will need to be verified by a doctor's note within 24 hours of the absence. School related activities are not considered absences and will not count toward overall attendance. Care should be taken so students are not taken out of school for personal planned events that would put the student over 10 cumulative absences. The school reserves the right to determine if work missed during absence receives credit and to require the student to make up for excess time missed. Please contact the high school office for any questions regarding excused absences.

If a student losses credit for work due to unexcused absences, the student will have the right to appeal the loss of credit and request that credit be reinstated. This appeal shall be made to an appeals committee consisting of four teachers and the principal. The request for an appeal must be made in writing **at least 7 days before the end of the closest grading period or within 3 days following a grading period if missed work is within 7 days of the end of a grading period.**

EXCUSED ABSENCES Examples: illness, professional appointments (medical, dental, eye), family emergencies, physical disaster, court appearances, work at the family business, vacation with family approval, religious instruction up to 3 hrs/wk and suspensions. If you are concerned whether or not an absence will be excused, call the High School office in advance to inquire.

UNEXCUSED ABSENCES Examples: truancy, work for an employer, shopping trips, unexcused /personal trips to school/colleges, hair appointments, tanning booth, sleeping in, auction sales, concerts. These absences will be considered skipping school and be treated according to the discipline policy and/or truancy laws. This may result in **zero** credit for the class time missed.

TARDIES

Students who are tardy to a class by more than fifteen (15) minutes or who are not present for at least 30 minutes will have it recorded as an absence from that class. Three unexcused (3) tardies of any amount of time will count as one (1) unexcused absence from that class in regards to this policy.

TARDY PROCEDURE

Students tardy to 1st period class must report to the high school office for an admittance slip to class; the office will determine if the tardy is excused or not. Teachers will determine excused/unexcused tardies to 2nd through 7th period classes. Each teacher will inform students as to the minimum number of allowable tardies and the consequences for exceeding that number.

STATE REQUIREMENTS

State compulsory attendance law requires regular school attendance by all persons under the age of seventeen. Students, as well as parents and guardians, are held accountable for regular school attendance and are subject to appropriate legal consequences when the law is violated. Violation of the compulsory attendance law is labeled "truancy" by the state of Minnesota. Three unexcused absences in one or more class periods constitute continuing truancy; seven absences from one or more class periods constitute habitual truancy and will be prosecuted. Students who are truant from school are required, under law, to be reported to the courts by school officials to be handled in the judicial system. Students will be referred to the Norman County Social Services. Students who are absent 15 consecutive days will be dropped from enrollment and are considered high school dropouts according to state attendance reporting requirements.

***TRUANCY**

Truancy Definitions:

Continuing truant. [260A.02 Subd. 3.]

"Continuing truant" means a child who is subject to the compulsory instruction requirements of section 120A.22 and is absent from instruction in a school, as defined in section 120A.05, without valid excuse within a single school year for:

(1) three days if the child is in elementary school; or

(2) three or more class periods on three days if the child is in middle school, junior high school, or high school.

Nothing in this section shall prevent a school district or charter school from notifying a truant child's parent or legal guardian of the child's truancy or otherwise addressing a child's attendance problems prior to the child becoming a continuing truant.

Habitual truant. [MS 260C.007 subd. 19]

"Habitual truant" means a child under the age of 17 years who is absent from attendance at school without lawful excuse for seven school days per school year if the child is in elementary school or for one or more class periods on seven school days per school year if the child is in middle school, junior high school, or high school or a child who is 17 years of age who is absent from attendance at school without lawful excuse for one or more class periods on seven school days per school year and who has not lawfully withdrawn from school under section 120A.22, subdivision 8

Educational Neglect [M.S. 626.556, subd. 2 (f) 4]

Education neglect is defined as the person responsible for a child's care has not ensured that a child is enrolled in school; and that a child's absence from school is presumed to be due to the parents', guardian's, or custodian's failure to comply with compulsory instruction laws. Norman County Social Services will screen in and provide child protection responses to reports of educational neglect if the following criteria is met.

- A child is under 12 years old, and
- The school has made appropriate efforts to resolve a child's attendance problems.

PROCEDURE IN DEALING WITH SCHOOL ATTENDANCE ISSUES:

THREE unexcused ABSENCES:

After three unexcused absences, the student is considered a continuing truant, and a truancy letter will be sent to the parent at this point. If the school deems necessary or at parent's request, a meeting with the student and parents will be scheduled to address truancy concerns and to educate parents and student.

SEVEN unexcused ABSENCES:

After seven unexcused absences, the child and parents will receive a written notice to attend a mandated meeting with a representative from the school and social services, and where applicable: Indian Child Welfare and probation. The purpose of this meeting will be to gain knowledge of truancy laws including possible dispositions in truancy cases, as well as understanding the effects of truancy on student's future. At this meeting the team will work to identify and address any issues that are preventing the child from attending school and being a successful student. The meeting will provide information on possible services available to the family and child, information from the county attorney, and the family will sign a contract to work towards resolving the child's truant behavior. If child is seventeen or over, the contract will include a statement indicating the parent is supportive of the child remaining in school. A written plan will be developed with copies provided to all appropriate persons, including social services.

AFTER THE SEVEN DAY MEETING:

If the child continues to accumulate unexcused absences after the 7 day meeting, a report shall be made to social services immediately. A written report shall be sent within 72 hours (excluding weekends and holidays) to social services. A truancy petition may be requested. The school reports will contain the following information:

- truancy referral form
 - student/parent identifying information
 - school concerns
 - attendance report
 - efforts made by the team to alleviate the problem
 - copy of any written plans
-
- copy of letters sent to the child and/or parent

PARENT/GUARDIAN VISITS

Parents/guardians are always welcome and encouraged to visit school. All visits to school, whether to see a student or teacher, must come through the High School office. Parents/guardians are not to go directly to classrooms to see students or teachers. Students will be paged to the office to see their parent/guardian. Parents who wish to visit with a teacher should arrange an appointment through the office. Appointments will

be made for during the teacher's preparation time or after school classes are over. Teachers will not be pulled out of a class to visit with parents/guardians.

ILLNESS

Students who become sick at school are to report to the office; a cot is available to rest on. Only more severe cases will be allowed to go home, especially if the illness comes on in the afternoon.

PERMIT TO LEAVE

Any student who wishes to leave the school **anytime** during the day must have a written request from a parent or call from home. Present this request to the principal's office **before school starts** to obtain a permit to leave the building. This permit must be arranged before school begins. The office will **NOT** call parents to obtain permission to leave. Students must sign out and in at the office. This policy is in force for all students regardless of age.

STUDENT VEHICLES AND PARKING – (see District Policy #527)

All students must park on the **SOUTH** side of the building. All students are not permitted to use vehicles during the school day unless leaving school for the remainder of the day or they have a written request or a call from their parent approved by the administration. Students are not permitted to sit in/on parked vehicles at noon or any time during the school day. Vehicles may be searched if the District deems it necessary. Only highway-legal licensed vehicles will be allowed on school property at any time. Snowmobiles are allowed on designated routes only and must enter and leave school property from the northwest side of the building and park on the west side.

TEXTBOOKS

Textbooks are furnished to each student at district expense. If any textbook is abused or lost, the student will be fined to cover the expense of replacing the book and credit may be withheld if not paid.

DETENTION

The Principal/teachers will assign detention after violation of school/classroom rules or student misconduct. Students will serve detention on the first or second detention day after the violation and are responsible for securing their ride home. **Notices sent home are for information only and not intended for securing a ride home or other arrangements; that is the student's responsibility.** Detention will be held with the teacher that assigned the detention. Arrangements to serve detention will be made with the assigning teacher. Skipping detention will result in In-School Suspension for the first violation and Out-of-School Suspension may be imposed for further violations. After 3 detentions in one month, parents will be notified of the problem and the student may be placed on disciplinary probation for the next 3 weeks; further violations during the probation period may result in In-school or Out-of-school suspension. If there are no discipline referrals during the 3 week probation period, the student is removed from probation and the 3 detention count starts over.

DETENTION RULES:

1. Be on time - 3:15 P.M. There is a bell.
2. You must bring work to do or work will be assigned
3. No passes to leave the room
4. No talking
5. Violation of these rules will result in In-school suspension

IN-SCHOOL SUSPENSION

In-school suspensions will run for full days possibly to 4 pm. If the student goes home during ISS, they will have to serve a full day when they return to school. No regular student privileges are allowed during ISS (drinks, phone, etc.)

OUT-OF-SCHOOL SUSPENSION

Out-of-school suspensions will be used for more serious or repeated offenses. When suspended out of school students are not allowed on school grounds during the suspension period. Students will only receive credit for school work made up during the out-of-school suspension period.

REMOVAL FROM CLASS

If behavior is so disruptive that the student is removed from class, at least one detention period will be automatically assigned. If the violation is more excessive, more extreme consequences may be imposed. Removal from class may be up to 5 consecutive days at the Principal/teacher's request. **If the Principal is called to a classroom because a student refuses to leave, the student may be suspended in or out of school for up to 3 days. If a student is removed from the classroom but fails to report to the office they will be suspended for 1 day.**

FIELD TRIPS

NCE Student/Parent Handbook rules apply to all field trips sponsored by the District. On overnight trips, students exhibiting inappropriate behavior may be sent home at their parent's expense. Students may not be allowed to attend overnight trips if previous behavior indicates a risk; this will be at the discretion of the supervisor and/or administration.

OFF-CAMPUS BEHAVIOR

Students may be disciplined for off-campus conduct which disrupts, interferes or otherwise affects the environment, activities or operation of the school.

HALL PASSES/STUDENT AGENDA

All students moving from one place to another during class time must have their Student Agenda or hall pass in their possession. Agenda/hall passes must be filled out completely and signed by a teacher. Failure to have the agenda/hall pass in your possession could result in disciplinary action.

GAME ATTENDANCE

Students that are absent all day or leave during the day because of illness may NOT attend any school related events for that day without administrative approval.

ATHLETIC/ACADEMIC ELIGIBILITY POLICY (see Student Activities Handbook)

The period of ineligibility will be until the student has passing grades in all classes.

The Activities Director will email each teacher every two weeks and request the names of any students failing their courses at that time. All those that are failing any course on that date would become ineligible until passing. It will be the responsibility of the student to report to the Activities Director when all grades are passing- The Activities Director will then verify the student's passing status.

Any student receiving an incomplete would become ineligible until such time as the incomplete is made up in a satisfactory manner. It will be the responsibility of the student to report to the Activities Director when the incomplete has been made up. The Activities Director will verify the incomplete has indeed been made up in a satisfactory manner.

However, students receiving failing grades at the end of a quarter will be ineligible for two weeks.

Students who are academically ineligible or displaying behaviors considered unbecoming as determined by administration at the time of a school sponsored contest, convention, or trip, considered outside of the curriculum will not be allowed to attend.

MSHSL sponsored activities cannot be considered as part of a course curriculum. Ineligible students may practice but may not accompany the team or group to games or contest nor sit in the team bench area during games.

PARTICIPATION IN CURRICULAR/CO-CURRICULAR PROGRAMS

Eligibility for participation may be limited by academic standing, disciplinary matters or enrollment status. If you have any questions about eligibility for participation in any aspect of the educational program, contact the principal.

SPORTS PER SEASON PARTICIPATION LIMIT

No student will be able to participate in more than one MSHSL sponsored athletic activities in the same season (fall, winter, spring).

ATTENDANCE POLICY FOR ATHLETIC ACTIVITIES

Students must be in school all day to be allowed to participate in MSHSL sponsored events that are held that day. In addition, students must be to school on time the morning after a MSHSL sponsored athletic activity or they will not be allowed to participate in the next MSHSL athletic event in that activity. The only exception to this policy will be absences excused in advance by the administration. Emergency situations will be dealt with on an individual basis by the administration.

NORMAN COUNTY EAST PUBLIC SCHOOLS PLAYING TIME PHILOSOPHY:

Elementary – Equal playing time for all participants.

Jr. High – Playing time will be shared by all participants, but not on an equal time basis. The coach will insure that each athlete will play in every game or match, barring any unusual circumstances such as penalties for missing practices or breaking team rules. Football may be an exception to this rule because a major concern is the safety of the athletes. If an athlete's physical stature could put him/her at risk of an injury, the coach could limit his/her playing time.

C-Team, 9th Grade, Jr. Varsity – All kids will get the opportunity to participate. The coach will make every opportunity to get all of the kids playing time. Some kids will play more than others.

Varsity – Play to win. Majority of the playing time will be limited to a few. There may be kids that will not get in the game.

CONTACTING COACHES POLICY:

Appropriate concerns to discuss with coaches:

1. Concerns of your child's safety and well-being
2. Ways to help your child improve.
3. Concerns about your child's behavior.
4. Practice times, illnesses, vacations and issues not associated with the list below.

Issues not to be discussed with coaches:

1. Playing time.
2. Team strategy.
3. Play calling.
4. Other student-athletes.

It is very difficult to accept your child's not playing as much as you may hope. Our coaches are hired by the school district because we believe they are people of integrity and have an understanding of how to run a sports program at our school. They make judgment decisions based on what they believe to be best for their programs and all the students involved. These decisions are based on what they see every day in practice, as well as in games.

If you have a concern with a coach, this is the procedure you should follow:

1. Athlete meets with coach. If this does not resolve the situation then go on to step 2.

2. Parent calls Activities Director to set up a meeting between the parent, coach and Activities Director.

Do not attempt to contact a coach at a contest, home, work, or email with your concerns. Those can be emotional times for both the parent and the coach. This approach does not promote resolution. Concerns should only be expressed reasonably and constructively. Repetition of non-constructive comments constitutes harassment and is not a reasonable expression of concern.

What can a parent do if the meeting with the coach and Activities Director did not provide a satisfactory resolution? The parent can call and set up an appointment with the building principal to discuss the situation. At this meeting the appropriate next step can be determined.

Consequences if the above procedure is not followed: Failure to follow the procedure outlined above will result in a review of the circumstances by the activities director, building principal and school attorney for such further action under Minnesota law as is warranted by the circumstances.

The participant may be suspended from the activity for a certain time period as deemed appropriate by the Coach, Activities Director and Building Principal.

HOMECOMING / SNODAZE CANDIDACY

To be eligible to be nominated for Homecoming or Snodaze Candidacy and elected Queen, King, Prince or Princess, and to participate in coronation, students must be academically eligible. In addition students must not display actions or behaviors that are unbecoming according to administration discretion.

HONOR STUDENT PASS POLICY

Those Junior and Senior students maintaining a cumulative GPA of 3.5 or above will be allowed one "free study hall" per day, during which they may be excused from the study hall to do anything they need or wish to do, on or off of school grounds, so long as it does not interfere with any class or normal school operations. They may have open access to computer labs for personal use. Honor pass students do not need to return to the study hall before the dismissal bell. All school rules are to be obeyed when not on school grounds. Proper supervision, when necessary, must be arranged by the student. Also, Honors Pass students will be allowed an "open" lunch period. Students must sign out and in at the office before leaving school grounds. Students may not use automobiles at these times.

Abuse of these privileges will lead to:

First Offense: Suspension of privilege for one week.

Second Offense: Suspension of privileges for one month.

Third Offense: Revocation of privileges for the remainder of the year.

"Abuse" shall include:

1. Disruption of class or normal school operations.
2. Returning to school late for the hour following the "free period" or "open" lunch
3. Disobeying any school rules or behavior expectations while on or off school grounds.
4. Not signing in and out of school in the office.

Eligibility for these privileges is as follows:

1. The **cumulative GPA at the end of the previous semester** must be 3.5 or higher in order for a student to qualify.
2. A **cumulative GPA of 3.5 or higher must be maintained.**

MEETINGS AND ORGANIZATIONS

A class or organization cannot have an official meeting without at least one advisor present. Advisors must approve all class functions first; advisors will report proposed functions to the Principal.

FUNDRAISERS & SALES

1. Must be approved by the administration.
2. No selling during or between classes; only before school, at noon and after 3:10 p.m.
3. Do NOT solicit sales from staff members until after school has dismissed for the day.

STUDY HALL

Study hall is a place to study, not to visit.

The following rules must be observed by students assigned to study hall:

1. Students must have permission to leave study hall.
2. Student will sign out and in on the attendance sheet.
3. No passes will be issued to see another student or teacher who is in class.
4. Media Center passes are for the media center only; computer use must state the reason.
5. All students signed out of a study hall **MUST** return to the study hall before the end of the period.
6. Students who are ineligible are **NOT** allowed passes to leave study hall.

PETS/ANIMALS

Pets or other animals will only be allowed in the school building with administration approval and if the owner/handler can show documented verification of required health vaccinations.

HOME & AWAY EVENTS

Students are reminded that while attending both home and away school events, they represent Norman County East School District. All school rules and policies concerning behavior apply.

BUS POLICY/TRIPS

School rules and policies will apply to all trips, whether curricular or extra-curricular. All students in the event/organization must ride the bus to the event and back to school unless their parent picks them up at the bus and notifies the advisor/supervisor that their child is going home with them.

STUDENT TELEPHONE

The student phone is in the high school office by the door. This phone should be used before and after school and at noon only. It is not an acceptable excuse to be late to class because of any telephone usage. The teacher and the office staff have the right to refuse to allow student to use the telephone during class or for unnecessary reasons. Those needing to make long-distance calls, or calling cell phones using the school's phones must have a calling card.

CELL PHONES AND OTHER ELECTRONIC DEVICES

Personal electronic equipment that is not being used for educational purposes only and other items that become a nuisance are a distraction to the educational setting. Specifically, cell phones, and instant communication programs, etc. are to be turned off and in lockers during the academic day. Such items are a temptation leading to theft as well as threats and harassment. Students are expected to plan accordingly with family members so that messages are retrieved before or after school day. Teachers may ask students to use these devices as part of the educational process and will have students retrieve devices at that time. The other acceptable usage times are during passing and lunch hour. Any other time, communication/electronic devices should remain off and in student lockers. Unauthorized cell phone possession or usage during class time is subject to discipline. Cell phones and other communication devices will need to be given to a faculty member immediately upon request. Failure to give the items to a faculty member will increase disciplinary response. Students bringing communication, or any other popular devices, on the bus or into school do so at their own risk. The School District does not assume any responsibility for loss or damage to any of these devices. Photography devices are not allowed into locker rooms at any time and are subject to confiscation for doing so. Any attempt to disable a cell phone or other electronic device to prevent investigation is subject to disciplinary action.

UNAUTHORIZED IMAGES

Images of students or teachers during the educational day posted on any social media site without the school's permission is considered unauthorized and is a violation of privacy policies.

CHEATING

Copying other students work is considered cheating. This will not be tolerated. No credit will be given if cheating occurs and further consequences may be imposed.

STUDENT CHECK-OUT

If a student is moving and will withdraw from school, a Student Check-out sheet must be obtained from the office and completed before student records will be forwarded.

DISPLAY OF AFFECTION

Students are not to engage in affectionate behavior in school; these behaviors include but are not limited to **holding hands**, kissing, hugging, arms or hands on another's shoulders or hips, head on another's lap or legs.

-Be respectful of others trying to work, including students and staff. **This includes not distracting them from their tasks. (example- Kathy has work to do during noon.)**

-**Respect others by being considerate of their needs. This includes not blocking the hallways when others are trying to pass. .**

-No students are to be in the school building before 7:55 a.m. or after 3:15 p.m. unless you are involved in a faculty supervised activity or waiting for your bus.

-Breakfast for grades 7-12 begins at 7:55 and closes at 8:10a.m.

-Use care in closing your locker doors and keep lockers clean and neat.

- Please do not run in hallways when not exercising.

MEDICATIONS-(see District Policy #516)

No over the counter drugs (aspirin, Tylenol, cough drops) will be dispensed by the office. All prescription medications must be turned in to the office and will be dispensed by the school nurse or secretary.

VISITORS

All visitors will check in at the high school office immediately upon entering the building. Students will be called to the office, if their schedule permits, or called between classes. Visitors at noon must visit with a student in the office area during noon period. Students from area schools or former students will not be allowed in classrooms or at other student activities during the regular school day. PSEO-required notification

Postsecondary Enrollment Options (PSEO) is a program that allows 10th-, 11th- and 12th-grade students to earn both high school and college credit while still in high school, through enrollment in and successful completion of college-level, nonsectarian courses at eligible participating postsecondary institutions. Most PSEO courses are offered on the campus of the postsecondary institution; some courses are offered online. Each participating college or university sets its own requirements for enrollment into the PSEO courses. Eleventh and 12th-grade students may take PSEO courses on a full- or part-time basis; 10th graders may take one career/technical PSEO course. If they earn at least a grade C in that class, they may take additional PSEO courses.

There is no charge to PSEO students for tuition, books or fees for items that are required to participate in a course. Students must meet the PSEO residency and eligibility requirements and abide by participation limits specified in Minnesota Statutes, section 124D.09. If a school district determines a pupil is not on track to graduate, she/he may continue to participate in PSEO. Funds are available to help pay transportation expenses for qualifying students to participate in PSEO courses on college campuses. Schools must provide information to all students in grades 8-11 and their families by March 1, every year. Students must notify their school by May 30 if they want to participate in PSEO for the following school year. For current information about the PSEO program, visit the Minnesota Department of Education's [Postsecondary Enrollment Options \(PSEO\) webpage](#).

COURSES TAKEN VIA AN OFF-CAMPUS INDEPENDENT STUDY PROVIDER

Students may select to take a course via an Independent Study provider with the approval of the administration. If the course taken is to substitute for a course currently offered at NCE, the student's daily class schedule will include a time period for that course and the student will be expected to do the coursework during that scheduled time. A location and supervisor will be assigned by the administration. The student will be expected to complete the course during the grading period that the course is scheduled or credit may not be granted for the course. The District will pay the cost of the course.

If a student chooses to take a course from an Independent Study provider as an extra course, beyond what is required to be a full time student, no daily scheduled time will be provided, no location or supervisor will be assigned. The student will be responsible for the cost of the course.

Such courses may be taken on-line or paper-pencil format.

INTERNET COURSES

Courses cannot be taken prior to the student's enrolling in high school. All courses must have a **30 day** prior approval of the Administration or designee. All internet courses must be accredited by a legitimate accrediting agency such as North Central Association, Commission on International and Trans-Regional Accreditation or the Accreditation Commission for International Internet Education and taught by a teacher with a Minnesota teacher's license. The course must be identified on the student's class schedule and a teacher assigned as a

consultant. Any cost will be borne by the school district. Internet courses must be taken while concurrently enrolled in high school and be free of racial, gender and religious bias.

GRADE REPORTS FOR INDEPENDENT STUDY AND ON-LINE COURSES:

Students taking on-line or independent study courses must provide the athletic director with a grade report every 2 weeks and the Principal with a grade report at the end of each quarter/semester. This report must include a “percent complete” notation. If the student has not met the “target complete” figure or has not completed the actual percentage of the course for that calendar date, within 10%, he/she will be considered incomplete and will be subject to the ineligible policy and grading policy concerning incompletes.

COLLEGE CLASS GRADING and CREDIT

Students taking college classes in the high school will receive **five percentage points** above the grade on the college transcript for that class. There will not be any + or – grades for college classes. This will affect the high school grades only. The students’ GPA will not be allowed to go above a 4.0. A 4 credit college class will be equal to 1 high school credit as recommended by the state of Minnesota. College classes worth less credits will be prorated, 3 college credits= .75 credit.

HOME-SCHOOL TRANSFERS

Students transferring into high school from a home-school education program must provide documentation &/or student records verifying the student’s current grade level and assessment of performance in basic communications (reading, writing, literature & fine arts), mathematics, science, social studies, health and physical education. Failure to provide documentation of grade level assessments will result in the student’s enrollment in the 9th grade.

HONOR ROLL

To be placed on the honor roll students must be **a full time student and** achieve one of the grade point averages listed below with no grade below "C".

"A" Honor Roll 3.667 "B" Honor Roll 3.00 to 3.66

INCOMPLETE GRADES

Students who have not made up school work before the report card period ends receive an "Incomplete" grade. This work must be made up within 5 school days after the reporting period ends; otherwise the Incomplete becomes an "F". See your teacher about any make-up work. **It is YOUR responsibility!**

PROMOTION POLICY

Students in grades 7 or 8 who fail 2 of the 4 content classes (English, social studies, science & math) will be retained in the same grade for the next year. A student in grades 7 or 8 that fails one class will retake that class the next school year. A student may take summer courses to make up the failed class(es). Any summer course

or alternative program must be approved by the administration and completed prior to the start of the next school year if retention/repetition is to be avoided. Parents will be notified as to their child's options.

CONSEQUENCES FOR MISBEHAVIOR

Overview - The consequences for misbehavior described on the following pages are designed to be fair, firm and consistent for all students. They apply to students in any school or other district building, on district property, in district vehicles, and at school or district events. (District vehicles are defined as school buses and vans owned or leased by the school district, and cars and other vehicles owned by district staff and authorized by the district for transporting students.) Because it is not possible to list every misbehavior that occurs, misbehaviors not specified will be responded to as necessary by staff. Minor misbehaviors are dealt with by bus drivers, chaperones, classroom teachers, counselors, administrators and other appropriate district staff.

Students must cooperate in all disciplinary investigations. Consideration may be given to those who admit to violations of the discipline policy.

Physical Force – School district employees, in exercising the person’s lawful authority, may use reasonable force when it is necessary under the circumstances to correct or restrain a student or prevent bodily harm or death to another.

Consequences - For each misbehavior described, there are suggested consequences for first, second, third and fourth violations. Those consequences are shown as “*”, susp -in school or out of school suspension, for a specified number of days or expulsion. Generally, consequences will take place in the school unless the offense is deemed dangerous for the student or others. *Consequences for a specific violation may vary from that suggested depending severity of the infraction or other aspects of the student’s situation.*

“ * ” for junior and senior high schools is defined as: Consequences for violation will include student conference and parent notification, and may include, but are not limited to parent conference, behavior modification plan, anti-bullying program, restorative conferencing, circling sessions, social skills training, restitution, detention, in-school suspension and up to one day out-of-school suspension.

In the chart on the following pages, **suspension** is defined as in-school or out-of-school suspension; action taken by the school administration to prohibit a student from attending classes for no more than **ten consecutive** school days. (A one-day suspension is for a consecutive period of time equivalent to one school day. For example, if a student is suspended at noon, he or she may be suspended until noon on the following school day.)

Expulsion is action taken by the school board to prohibit a student from further school attendance for up to one school year from the date the student is expelled.

Exclusion is an action taken by the school board to prevent a student from enrolling or re-enrolling for a period of time that shall not extend beyond the school year.

In addition to the consequences detailed on the following pages, the School or the District Transportation Department may respond to student misbehavior in a variety of ways which include, but are not limited to, parent conferences, mediation, restitution, reports to probation services, criminal reports, community service, fines, loss of driving and parking privileges (at the high school level) and chemical evaluation. Administrators may involve the police and other law enforcement authorities as necessary. If a student violates a district rule that is also a violation of a law, the student will be referred to the police in addition to being dealt with as described in this regulation. Serious discipline/criminal offenses may result in expulsion.

Consequences for a specific offense may be more severe or less than indicated if staff believes it is appropriate. Parents shall be notified in writing of violation of the rules of conduct and resulting disciplinary actions by first-class mail except as provided otherwise by The Pupil Fair Dismissal Act. Students shall be notified of violations of the Rules of Conduct and resulting disciplinary actions verbally except as provided otherwise by The Pupil Fair Dismissal Act.

PINE TO PRAIRIE COOPERATIVE CENTER STUDENT DISCIPLINE POLICY

The Pine to Prairie shared vocational programs are a means for the participating districts to offer students more educational opportunities than would normally be provided by a single district.

Because of the uniqueness of the vocational programs and the travel that is entailed, certain standards are expected of students enrolled in these courses. Participation should be considered an opportunity as well as a privilege that carries with it a higher level of responsibility. This policy is intended to make both the students and the parents aware of the standards expected of students enrolled in such courses.

As a student taking a shared vocational program, I am aware that:

1. Insubordination and class disruption of any kind will not be tolerated. Insubordination has been defined as refusal to follow directives of the teacher.
2. Inappropriate language will not be tolerated.
3. Classroom, lab, and safety guidelines and procedures must be followed.
4. Equipment must be handled with care and safety in mind.

The following procedures will be adhered to for students who do not follow the above rules.

FIRST OFFENSE REPORTED TO THE PRINCIPAL:

The student will be given a verbal warning and told that his/her parents and his/her principal will be notified of the infraction. Consequences will be determined by the home school discipline policy.

SECOND OFFENSE REPORTED TO THE PRINCIPAL:

The student will be given a verbal warning and told that his/her parents and his/her principal will be notified of the infraction. Consequences will be determined by the home school discipline policy. There will be a conference with the home school principal, the student, and preferably the parent(s).

THIRD OFFENSE REPORTED TO THE PRINCIPAL:

The home school principal will automatically dismiss the student from the shared vocational program for the remainder of the year. Consequences after dismissal will be determined by the home school principal.

THE PUPIL FAIR DISMISSAL ACT (Revised 2005)

121A.41 DEFINITIONS.

Subd. 1. As used in sections 121A.40 to 121A.56, the terms defined in this section shall have the meanings assigned them.

Subd. 2. "Dismissal" means the denial of the appropriate educational program to any pupil, including exclusion, expulsion, and suspension. It does not include removal from class.

Subd. 3. "District" means any school district.

Subd. 4. "Exclusion" means an action taken by the school board to prevent enrollment or re-enrollment of a pupil for a period that shall not extend beyond the school year.

Subd. 5. "Expulsion" means an action taken by a school board to prohibit an enrolled pupil from further attendance for a period that shall not extend beyond the school year.

Subd. 6. Parent. "Parent" means (a) one of the pupil's parents, or (b) in the case of divorce or legal separation, or if the child's mother was not married to the child's father when the child was conceived nor when the child was born, the custodial parent.

Subd. 7. "Pupil" means any handicapped or non-handicapped student less than 21 years of age eligible to attend a public elementary or secondary school,

Subd. 8. "School" means any school as defined in Minnesota Statutes 1971, section 120.05, subd. 2.

Subd. 9. "School Board" means the governing body of any school district.

Subd. 10. "Suspension" means an action taken by the school administration, under rules promulgated by the school board, prohibiting a pupil from attending school for a period of no more than ten school days. If the suspension is longer than five days, the suspending administrator must provide the superintendent with a reason for the longer suspension. This definition does not apply to dismissal from school for one school day or less, except as provided in federal law for a student with a disability. Each suspension action shall include a readmission plan. The readmission plan shall include, where appropriate, a provision for implementing alternative educational services upon readmission and may not be used to extend the current suspension. The school administration may not impose consecutive suspensions against the same pupil for the same course of conduct, or incident of misconduct, except where the pupil will create an immediate and substantial danger to surrounding persons or property; or where the district is in the process of initiating an expulsion, in which case the school administration may extend the suspension to a total of 15 days. In the case of a student with a disability, the student's individual education plan team must meet immediately but not more than ten school days after the date on which the decision to remove the student from the student's current educational placement is made. The individual education plan team should at that meeting: conduct a review of the relationship between the child's disability and the behavior subject to disciplinary action; and determine the appropriateness of the child's educational plan. The requirements of the individual education plan team meeting apply when: (1) the parent requests a meeting, (2) the student is removed from the student's current placement for five or more consecutive days; or (3) the student's total days of removal from the student's placement during the school year exceed ten cumulative days in a school year.

The school administration shall implement alternative educational services when the suspension exceeds five days. A separate administrative conference is required for each period of suspension.

Subd. 11. Alternative educational services. "Alternative educational services" may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessment, homebound instruction, supervised homework, or enrollment in another district or in an alternative learning center under section 123A.05 selected to allow the pupil to progress toward meeting graduation standards under section 120B.02 although in a different setting.

121A.42 POLICY

No public school shall deny due process or equal protection of the law to any public school pupil involved in a dismissal proceeding which may result in suspension, exclusion, or expulsion.

121A.44 EXCLUSION AND EXPULSION OF PUPILS WITH A DISABILITY

When a pupil who has an individual education plan is excluded or expelled under sections 121A.20 to 121A.56 for misbehavior that is not a manifestation of the pupil's handicapping condition, the district shall provide special education and related services after a period of suspension, if suspension is imposed. The district shall initiate a review of the pupil's individual education plan within ten days of the commencement of an expulsion, exclusion, or a suspension of ten days or more.

121A.44 EXPULSION FOR POSSESSION OF FIREARMS

(a) Notwithstanding the time limitation in section 127.27, subdivision 5, a school board must expel for a period of at least one year a pupil who is determined to have brought a firearm to school except the board may modify this expulsion requirement for a pupil on a case-to-case basis. For the purposes of this section, firearm is as defined in United States Code, title 18, section 921.

(b) Notwithstanding chapter 13, a student's expulsion or withdrawal or transfer from a school after an expulsion action is initiated against the student for a weapons violation under paragraph (a) may be disclosed by the school district initiating the expulsion proceeding. Unless the information is otherwise public, the disclosure may be made only to another school district in connection with the possible admission of the student to the other district.

121A.45 GROUNDS FOR DISMISSAL

Subd. 1. No school shall dismiss any pupil without attempting to provide alternative programs of education prior to dismissal proceedings, except where it appears that the pupil will create an immediate and substantial danger to self or to surrounding persons or property. Such programs may include special class or assistance from other agencies.

Subd. 2. A pupil may be dismissed on the following grounds.

- (a) Willful violation of any reasonable school board regulation. Such regulation must be clear and definite to provide notice to pupils that they must conform their conduct to its requirements;
- (b) Willful conduct which materially and substantially disrupts the rights of others to an education;
- (c) Willful conduct which endangers the pupil or other pupils, or the property of the school.

121A.46 SUSPENSION PROCEDURES

Subd. 1. Informal administrative conference before suspension. The school administration shall not suspend a pupil from school without an informal administrative conference with the pupil. The informal administrative conference shall take place before the suspension, except where it appears that the pupil will create an

immediate and substantial danger to self or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension.

Subd. 2. Administrator notifies pupil of grounds for suspension. At the informal administrative conference, a school administrator shall notify the pupil of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the pupil may present the pupil's version of the facts.

Subd. 3. Written notice of grounds for suspension. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan, and a copy of sections 121A.40 to 121A.56, shall be personally served upon the pupil at or before the time the suspension is to take effect, and upon the pupil's parent or guardian by mail within 48 hours of the conference. The district shall make reasonable efforts to notify the parents of the suspension by telephone as soon as possible following suspension. In the event a pupil is suspended without an informal administrative conference on the grounds that the pupil will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the pupil and the pupil's parent or guardian within 48 hours of the suspension. Service by mail is complete upon mailing.

Subd. 4. Suspension pending expulsion or exclusion. Notwithstanding the provisions of subdivisions 1 and 3, the pupil may be suspended pending the school board's decision in the expulsion or exclusion hearing; provided that alternative educational services are implemented to the extent that suspension exceeds five days.

121A.47 EXCLUSION AND EXPULSION PROCEDURES

Subd. 1. No exclusion or expulsion shall be imposed without a hearing, unless the right to a hearing is waived in writing by the pupil and parent or guardian. The action shall be initiated by the school board or its agent.

Subd. 2. Written notice of intent to take action shall:

- (a) Be served upon the pupil and the pupil's parent or guardian by certified mail;
- (b) Contain a complete statement of the facts, a list of the witnesses and a description of their testimony;
- (c) State the date, time, and place of the hearing;
- (d) Be accompanied by a copy of sections 121A.20 to 121A.56;
- (e) Describe alternative educational programs accorded the pupil prior to commencement of the expulsion or exclusion proceedings; and
- (f) Inform the pupil and parent or guardian of the right to;
 - (1) Have legal counsel at the hearing;
 - (2) Examine the pupil's records before the hearing;
 - (3) Present evidence; and
 - (4) Confront and cross-examine witnesses.

Subd. 3. The hearing shall be scheduled within ten days of the service of the written notice unless an extension, not to exceed five days, is requested for good cause by the school board, pupil, parent or guardian.

Subd. 4. The hearing shall be at a time and place reasonably convenient to pupil, parent or guardian.

Subd. 5. The hearing shall be closed unless the pupil, parent or guardian requests an open hearing.

Subd. 6. The pupil shall have a right to a representative of the pupil's own choosing, including legal counsel. If a pupil is financially unable to retain counsel, the school board shall advise the pupil's parent or guardian of available legal assistance.

Subd. 7. The hearing shall take place before:

- (a) An independent hearing officer;
- (b) A member of the school board;
- (c) A committee of the school board, or;
- (d) The full school board; as determined by the school board.

Subd. 8. The proceedings of the hearing shall be recorded and preserved, at the expense of the school district, pending ultimate disposition of the action. Testimony shall be given under oath. The hearing officer or a member of the school board shall have the power to issue subpoenas and administer oaths.

Subd. 9. At a reasonable time prior to the hearing, the pupil, parent or guardian, or representative, shall be given access to all public school system records pertaining to the pupil, including any tests or reports upon which the proposed action may be based.

Subd. 10. The pupil, parent or guardian, or representative, shall have the right to compel the attendance of any official employee or agent of the public school system or any public employee or any other person who may have evidence upon which the proposed action may be based, and to confront and to cross-examine any witness testifying for the public school system.

Subd. 11. The pupil, parent or guardian, or representative, shall have the right to present evidence and testimony, including expert psychological or educational testimony.

Subd. 12. The pupil cannot be compelled to testify in the dismissal proceedings.

Subd. 13. The recommendation of the hearing officer or school board member or committee shall be based solely upon substantial evidence presented at the hearing and be made to the school board within two days of the end of the hearing.

Subd. 14. The decision by the school board shall be based upon the recommendation of the hearing officer or school board member or committee and shall be rendered at a special meeting within five days after receipt of the recommendation. The decision shall be in writing and the controlling facts found upon which the decision is made shall be stated in sufficient detail to apprise the parties and the commissioner of education of the basis and reason for the decision.

121A.48 GOOD FAITH EXCEPTION

A violation of the technical provisions of the Pupil Fair Dismissal Act, made in good faith, is not defense to a disciplinary procedure under the act unless the pupil can demonstrate actual prejudice as a result of the violation.

121A.49 APPEAL

A party to an exclusion or expulsion decision made under sections 121A.40 to 121A.56 may appeal the decision to the commissioner of children, families, and learning within 21 calendar days of school board action. Upon being served with a notice of appeal, the district shall provide the commissioner and the parent or guardian with a complete copy of the hearing record within five days of its receipt of the notice of appeal. All written submissions by the appellant must be submitted and served on the respondent within ten days of its actual receipt of the transcript. All written submissions by the respondent must be submitted and served on the appellant within ten days of its actual receipt of the written submissions of the appellant. The decision of the school board must be implemented during the appeal to the commissioner.

In an appeal under this section, the commissioner may affirm the decision of the agency, may remand the decision for additional findings, or may reverse or modify the decision if the substantial rights of the petitioners have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

- (1) in violation of constitutional provisions;
- (2) in excess of the statutory authority or jurisdiction of the school district;
- (3) made upon unlawful procedure, except as provided in section 121A.48;
- (4) affected by other error of law;
- (5) unsupported by substantial evidence in view of the entire record submitted; or
- (6) arbitrary or capricious.

The commissioner or the commissioner's representative shall make a final decision based upon the record. The commissioner shall issue a decision within 30 calendar days of receiving the entire record and the parties' written submission on appeal. The commissioner's decision shall be final and binding upon the parties after the time for appeal expires under section 121A.50.

121A.50 JUDICIAL REVIEW

The decision of the commissioner of children, families, and learning made under sections 121A.40 to 121A.56 is subject to judicial review under sections 14.63 to 14.69. The decision of the commissioner is stayed pending an appeal under this section.

121A.51 REPORTS TO SERVICE AGENCY

The school board shall report any action taken pursuant to sections 121A.40 to 121A.56 to the appropriate public service agency, when the pupil is under the supervision of such agency.

121A.52 NONAPPLICATION OF COMPULSORY ATTENDANCE LAW

The provisions of section 120A.22, subdivision 5, shall not apply to any pupil during a dismissal pursuant to sections 121A.40 to 121A.56.

121A.53 REPORT TO THE COMMISSIONER OF CHILDREN, FAMILIES, AND LEARNING

Subd. 1. Exclusions and expulsions. The school board shall report each exclusion or expulsion within 30 days of the effective date of the action to the commissioner of children, families, and learning. This report shall include a statement of alternative educational services given the pupil and the reason for, the effective date, and the duration of the exclusion or expulsion.

Subd. 2. Report. The school board must include state student identification numbers of affected pupils on all dismissal reports required by the department. The department must report annually to the commissioner summary data on the number of dismissals by age, grade, gender, race, and special education status of the affected pupils.

121A.54 NOTICE OF RIGHT TO BE REINSTATED

Whenever a pupil fails to return to school within ten school days of the termination of dismissal, a school administrator shall inform the pupil and the pupil's parents by mail of the pupil's right to attend and to be reinstated in the public school.

121A.55 POLICIES TO BE ESTABLISHED

(a) The commissioner of children, families, and learning shall promulgate guidelines to assist each school board. Each school board shall establish uniform criteria for dismissal and adopt written policies and rules to effectuate the purposes of sections 121A.40 to 121A.56. The policies shall emphasize preventing dismissals through early detection of problems and shall be designed to address students' inappropriate behavior from recurring. The policies shall recognize the continuing responsibility of the school for the education of the pupil during the dismissal period. The alternative educational services, if the pupil wishes to take advantage of them, must be adequate to allow the pupil to make progress towards meeting the graduation standards adopted under section 120B.02 and help prepare the pupil for readmission.

(b) An area learning center under section 123A.05 may not prohibit an expelled or excluded pupil from enrolling solely because a district expelled or excluded the pupil. The board of the area learning center may use the provisions of the Pupil Fair Dismissal Act to exclude a pupil or to require an admission plan.

(c) The commissioner shall actively encourage and assist school districts to cooperatively establish alternative educational services within school buildings or at alternative program sites that offer instruction to pupils who are dismissed from school for willfully engaging in dangerous, disruptive, or violent behavior, including for possessing a firearm in a school zone.

121A.56 APPLICATION

Subd.1. Prohibition against discrimination remains in effect. Sections 121A.40 to 121A.56 shall not be deemed to amend or otherwise affect or change section 363.03, subdivision 5, and clause (2).

Subd. 2. Portions of school program for credit. Sections 121A.40 to 121A.56 shall apply only to those portions of the school program for which credit is granted.

Norman County East Internet Philosophy (see District Policy #524)

The Internet connects NCE students to thousands of computer networks around the world. This enables students to access information otherwise unavailable to them.

NCE school district has no control over the type of information found on the Internet. Some sites found on the Internet may contain material that is considered inappropriate for the educational purposes in a K-12 setting. We have a security system that allows the District to access the internet sites that students have used and we will monitor student use periodically. However, millions of people are constantly adding new sites to the Internet on a daily basis, and it is impossible for a security system to catch and restrict all inappropriate material. The NCE school district does not support or condone the use of these types of materials and does not allow the use of such materials in the school environment. We believe that parents are partly responsible for teaching their children the standards that they should follow when using these informational sources. The NCE school district denies any responsibility for the quality or the accuracy of all material received through the Internet or for any financial obligations resulting from the use of school computers to access Internet purchases.

Code of Conduct

-Office must have possession of the access contract signed by both student and parent before the student is allowed on the Internet.

-If you are on the Internet and not using it for a class and someone else needs the computer for a class, you must give the computer to them. **No questions asked.**

-If you are on the **ineligible list**, you are **not** allowed to use the Internet for **any reason**, unless required for a class and under **direct** supervision of a teacher.

-Anything printed or downloaded **must** be for classroom purposes **only**, not for your own entertainment.

-Downloading of educational information is allowed as long as no copyright laws are violated and it is not redistributed in its original form.

-Students are not allowed to review or download any material that is obscene, vulgar, sexually explicit, racially or religiously discriminating, promoting violence/bombs/weapons or otherwise inappropriate.

-Sending electronic mail (E-mail) over Internet service (hot-mail) is prohibited for all students. 10th – 12th graders may have an e-mail account through the District network (Microsoft Outlook) that can be used before and after the school day. This service is a privilege and will be inspected routinely. Sending messages that are considered threatening, harassing, pornographic or sending chain letters is not acceptable and will result in immediate revocation of e-mail privileges.

-Students are not permitted to make purchases of services or goods via the Internet and will be held accountable for any financial obligations resulting from such action.

-Students are not permitted to access Chat Rooms, Discussion Groups, News Groups, Games, MySpace, FaceBook or other types of sites; **repeated attempts to access fire-walled sites or the use of proxy sites is not allowed.

-There will be no cracking, hacking, or otherwise breaking into accounts that you do not have full-authorized access to.

-Illegal activities, including but not limited to possessing or distributing pornography or commercial software or any associated paraphernalia, are not acceptable and we will not hesitate to call in law enforcement.

System administrators have the power to determine what inappropriate use is and their decisions are final.

Penalties for Internet Violations

(If the offense also violates other school rules, other consequences may also be imposed)

First offense – Two weeks off the Internet. Notice sent to parents describing the offense and consequences for further violations.

Second offense – Two months off the Internet; unless required for a class and under the direct supervision of the teacher. Notice sent to parents describing the offense, consequences and future consequences for further violations. All staff notified.

Third offense - Full year off the Internet. Notice sent to parents. All staff notified.

Authorities may be called in at any time if deemed necessary.

System administrators have the power to determine what inappropriate use is and their decisions are final
