

The TVLC Staff

Challenges

NCE High School Staff

To a Wheelchair Basketball Game

When: Wednesday, May 16th, 2018

Time: 1:30pm

Where: NCE High School Basketball Court

Rules:

5 People per team on the court in a wheelchair.

The facility will supply as many wheelchairs as we can. There are no rules at this point to “beefing” up your wheelchair as long as they can be utilized following the game and nobody gets hurt.

We ask that 1-2 students from the student council commit to being a ref for the game. We will also have at least 1 staff member available to ref.

We invite the high school student body to join the TVLC residents in watching the game. This is an intergenerational activity so we feel there is a lot of education obtained from this event. 😊
